

The Simplification of Dental Implants

The Encode Abutment Technique & Temporization for Success

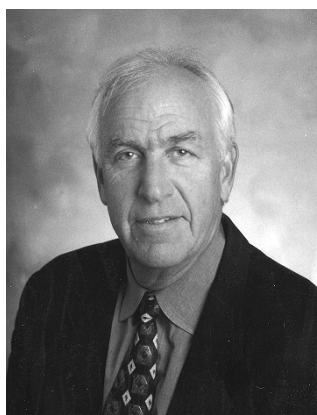

November 18, 2009

76 Pond Street

Sharon, MA

Registration: 6:00 PM

Lecture: 6:30 PM– 8:30PM

Our guest speaker for this evening, Dr. John Ruel DDS, MScD, is a Boston University trained Prosthodontist practicing in New Bedford, MA. Dr. Ruel has restored thousands of dental implants in his career and is on the advisory board at Biomet 3I in Florida. Dr. Ruel has a straightforward approach to his implant restorations that insures simplicity and predictability that he will share with us.

Registration: Please call 781-828-2808 to reserve your space.
2 CE's will be awarded Dinner will be served.
